Baptisms from 1920 - 2000

Introduction

This information was kindly provided by Rev Linda Cornelissen of the URCSA Church in Kuilsville, as well as the NG Church Archives in Stellenbosch. We are very grateful to Ms Karen Minnaar and Dr Andrew Kok for making this information available and also responding to queries.

It is based on old handwritten registers, and it shows what a valuable source such church records can be.

The baptism records show various important data:

1. Dates of birth
2. Dates of baptism, which may be long after birth (i.e. in later age, when people decide to join a church congregation)
3. Parents, often including mothers' maiden names.
4. Brothers and sisters.

The earliest records in this data-base are:

1. The earliest recorded birth date in the Baptismal Register: **1901: Elsie Willemse and Jan Neels**
2. The earliest recorded baptism date: **1920: Rachel Crown.**

Note that other registers are offered in subsequent documents in this series:

1. URCSA (Kuilsville) membership and confirmation register
2. NG Kerk in Afrika (NGKA, Tlaka-la-Tlou)) membership and baptismal register.

Some caveats:

1. The information is sometimes incomplete
2. Handwritten records are sometimes somewhat illegible.

Please contact Prof Doreen Atkinson at doreen@karoofoundation.co.za if you have any queries, or if you would like a specific person's photographic record.
